

League Is Rapped By Berry For Stand On Emerald Span

Senator Advises Redwood Group To Encourage New Bridge

By HENRY C. MacARTHUR
SACRAMENTO — (CNS) — Entry of the "Save-the-Redwoods League", and organization supposedly devoted to the promotion of retaining the state's majestic redwoods on the coast for posterity, into the battle over location of the Emerald Bay highway, is not a proper activity of the league.

The league was informed of this opinion by Senator Swift Berry, (R-Placerville) in a letter mailed to its headquarters recently. Senator Berry, who is a life member of the league said:

"If the league wishes to take any part in this matter, I believe that it should encourage the state park commission and the division of beaches and parks to co-operate with the division of highways in providing a well-engineered route for such a highway.

"There is no question that the logical and proper economical development of Lake Tahoe in El Dorado county requires a good

200 Attend Dinner For Foreign Skiers

Approximately 200 diners assembled at the cafeteria of the high school Friday night to enjoy the banquet prepared and served by the Truckee Fire-Ettes to honor foreign skiers and officials attending the North American Championship ski events at Squaw Valley.

Some 50 athletes and officials attended as guests of the Truckee Donner Chamber of Commerce which picked up their meal checks.

N. F. Dolley, chamber president, pointed out that the banquet was sponsored solely by the Fire-Ettes and that the proceeds, estimated at approximately \$200, will go to the fire department to assist in financing of an emergency truck to be used throughout the area.

The Fire-Ettes extended their thanks to the following for donations toward making the dinner a success:

Browns, California, Olympic, St. Louis, Cozzi's and Smart's Cafes, Truckee Merc., Z Market, Tonini's, Doyle's Meat Market, Curran Dabbling, Golden State Milk, James Canyon Ranch, Pedleys, Ken Hedlund, Heller's Variety, Truckee Donner Chamber of Commerce, Dick Graves Golden Nugget of Sparks, and Alpine Riverside Hotel.

Speech Contest Is Sponsored By IOOF

On Sunday, March 15th, at 2 p.m. in the I.O.O.F. Hall in Truckee, the public is cordially invited to attend the United Nations Pilgrimage for Youth, area No. 3 speech contest. Winners of the district contest will compete.

Area No. 3 has seventeen Rebekah Lodges, which are divided into five districts. The winner of the area contest will then compete in the Regional contest. The regional contest winner will be the delegate and go in the United Nations Pilgrimage for Youth Tour of 1959.

This is the tenth consecutive year of these pilgrimages for youth to New York. The "United Nations Pilgrimage for Youth", in California, is sponsored by the Odd Fellows and Rebekahs of California, under the direction of the Sovereign Grand Lodge and the International Association of Rebekah Assemblies of the Independent Order of Oddfellows.

A short musical program is planned following the contest. Light refreshments will be served by Naomi Rebekah Lodge No. 2.

Judges for the contest will be announced in next week's paper along with details of the program planned for the afternoon.

TAHOE TWIRLERS TO HOLD WEEKLY FETE

KINGS BEACH — Six squares enjoyed the Tahoe Twirlers pot luck held Saturday evening at Carpenter Hall. It was decided to hold these square and folk dance sessions every Saturday evening at 8 o'clock with the exception of the third Saturday. The fourth Saturday of the month will be featured by a pot luck supper.

Everyone is invited to join in the fun and beginners may contact Mrs. Sophie Levra at Liberty 6-3563 for instruction details.

ANNA MARIE COLLIER IS FETED AT PARTY

Mrs. John Collier entertained school friends of their daughter Anna Marie on the occasion of her birthday last Sunday.

Gifts, games and favors vied with the serving of the traditional cake and ice cream for the attention of the happy group.

Paintup Program Is Advanced Here At Group Meeting

Truckee's plan for a complete "face lifting" including a cleanup, paintup campaign is a step nearer realization as a result of a meeting of a number of local citizens representing various organizations at a luncheon held at the Alpine Riverside Hotel Monday.

The meeting was called at the suggestion of Mrs. Miles Horne, of the Truckee Tahoe Lumber Company, representatives for W. P. Fuller and Co. who asked to be included in the plan sponsored by the Truckee Donner Chamber of Commerce.

L. R. (Lou) Brown, manager of the Sacramento district branch of the company and his sales manager, Elwood McGee, spoke briefly to the group as did Rex Reid, owner of the Builders Service Center, dealer for Pabco Paints.

The meeting was a prelude to a public gathering scheduled for the high school on the evening of March 18 when the master plan will be unfolded and a general discussion held relative to a complete redecoration scheme for the entire community.

The idea for the town paintup sprang from a meeting of the Fire-Ettes, who decided in view of the approaching Winter Olympics, to make it a project of the club to sponsor a "Clean-up" campaign in Truckee. It was then suggested, "if a clean-up, then why not also a paint-up?"

With the eyes of the world on Squaw Valley, and thousands of visitors crowding the city of Truckee in the winter of 1960, civic minded organizations like the Chamber of Commerce, Fire-Ettes and service clubs are anxious to have the city looking spic and span.

Baseball Meet To Be Held March 15

Lloyd Newton, president of the Sierra-Nevada Baseball League, has called a meeting of league and club officers, managers and others interested for Sunday, March 15 at 1 p.m. at the American Legion Hall in Fallon.

Al Wakefield, head of the Truckee team, currently at Roseville, is expected to attend an entire this community in the 1959 schedule. Truckee fared well in the league last season and a lot of interest was shown by the large attendance at all local games.

Officers of the league will be elected at the meeting and a number of important items will be taken up, Newton said.

A Dutch lunch will follow the meeting.

TRUCKEE DOCTOR IS HOSPITAL PATIENT

Dr. L. D. Nelson, well known local physician and assistant medical director for the Olympic Winter Games, was reported improving in Washoe Medical Center following and emergency operation to remove a ruptured ulcer last weekend. The doctor will be incapacitated for the next month, hospital attaches report.

STATE ASKED TO KEEP PORTION OF OLD ROAD

At a recent meeting, the Placer County Chamber of Commerce endorsed legislation to provide that the state division of highways retain control and maintenance of old Highway 40 from near Soda Springs to Donner Lake.

The new freeway will bypass this heavily populated and popular resort area and unless legislation is passed, the area will be left up to the counties to provide maintenance.

FATHER OF TRUCKEE WOMAN DIES IN EAST

Funeral services were held yesterday at Enid, Oklahoma, for T. L. Coulter, 70, father of Mrs. Vina Clepper, well known Truckee resident. The deceased had been in ill health for some time and expired Monday. Besides his wife, Coulter leaves five daughters.

Wyethia Meet

A luncheon meeting of the Wyethia Club will be held March 6 at one o'clock in Brown's Cafe.

Mrs. William Randall will preside and all members are asked to enjoy a social visit with friends.

15 Trout Limit To Remain In County For This Season

Placer Will Be Limited To Ten Trout As New Rule Revealed

The California Fish and Game Commission, in the face of heavy pressure from northern counties, has compromised by retaining a 15-fish trout limit in 10 northern counties, including Nevada, with a 10-fish trout limit throughout the balance of the state, Edwin Capps of the Capitol News Service reports.

The compromise represented a clear-cut victory for the commission's newest members Henry Clineschmidt, of Redding, sitting in on his first meeting.

Under the regulations, which take effect April 4, the 15-trout limit will be permitted in Siskiyou, Modoc, Trinity, Shasta, Lassen, Tehama, Plumas, Butte, Nevada and Sierra counties.

This regulation was adopted on the motion of Clineschmidt, seconded by Commissioner Carl F.

Plans For Truckee Station Announced

The state division of architecture reports that plans are about 70 per cent complete and that bids will be called this spring for construction of the new freeway quarantine station at Truckee. Work will start as soon as weather permits and the building will be complete this summer.

A total of \$283,600 has been appropriated for the job with the building to cost \$179,000, the balance to be spent by the department of agriculture on approaches, tunnel under the road for pedestrians and other necessities.

The building is being designed along the same style as the present structure and will be located just west of the Route 89 interchange in the Donner Creek meadow.

At last reports, it was proposed to retain the present quarantine station in its location on old Highway 40 even after the new station is completed.

Four Seniors Given Honors From Bank

Four seniors have been selected as winners in the 1959 Bank of America Achievement Award competition at Tahoe Truckee High School, Principal C. W. Sciutto announced today.

Under the Achievement Award Program, representative winners from this group will be chosen to compete this spring with outstanding seniors from other Northern California high schools for individual cash awards ranging from \$25 to \$1,000, Sciutto said.

The local winners were determined by a faculty committee on the basis of their high school scholarship, extra-curricular activities, and potential for future service to humanity.

The one receiving engraved trophy plaques for excellence in major fields of study, from among whom representatives will be named for further competition this spring was: Robert Williams, son of Mr. and Mrs. J. J. Williams, who is majoring in science and math.

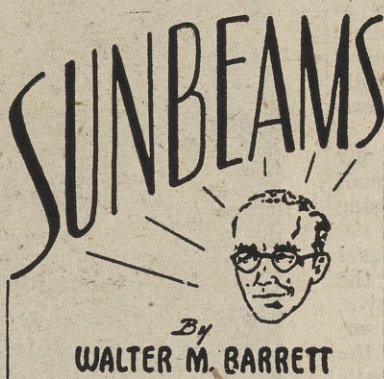

Students who won certificates of merit for outstanding records in specific subjects are Lusia D. Sciutto, daughter of Mr. and Mrs. C. W. Sciutto, majoring in liberal arts; Janice Noley, daughter of Mrs. Thelma Zuber, majoring in vocational arts and Tim Johnson, majoring in the fine arts. He is the son of Mr. and Mrs. G. Johnson.

CONDEMNATION SUIT SETTLED OUT COURT

AUBURN — A condemnation suit by the state highway department against Wayne Poulsen for land to widen State Highway 89 has been settled out of court for an undisclosed amount.

The settlement was announced as a jury was about to be selected to hear the case.

The state suit declared the 3.86 acres of land was worth \$13,210, while Poulsen's answer valued it at \$24,010. The land is along the highway just north of the entrance to Squaw Valley, Placer County.

Wolverines Lose Two, Win One In Conference Play

Locals Manage To Win In South Tahoe Game By 42-33 Score

By JOHN FIRPO

Sports Editor Tahoe Truckee H. S. An upset, a cold night, and a close game plus one win and two defeats best described the Tahoe Truckee Wolverines last weekend in the "A" conference Zone Tournament in Gardnerville, Nevada.

The Wolverines managed to upset third place South Tahoe in the first game 42-33 while the next night they fell to the latter tournament champs, the Douglas Tigers, 52-36. Finally in the consolation game they dropped a 56-48 verdict to the Yerington Lions. Combined with their tournament record of 1-2 the Mountain Men ended a fair season of 7-13 and were sixth in the conference standings.

Thursday afternoon the Cardinal and White needed one win to make their stay longer and though they were an underdog they came out

Continued on Page 8

Appointment Will Fill Board Vacancy

No candidates having filed for the board of directors of the Truckee Fire District by the closing date, February 26, no election will be held. However, a member of the three-man commission will be appointed by the board of supervisors.

Tony Pace, whose term on the board expires in April and who is the present board chairman, has announced that he will not accept an appointment but wishes to retire from the commission. However, he said, he will remain on the fire department on which he is a veteran volunteer.

Other members of the commission are Elden Tonini and Earl K. Stice.

BETTY MOLTHAN IS PNEUMONIA VICTIM

Mrs. Betty Molthan, a native of Truckee who went through school here and was well known in the younger set, died following an attack of pneumonia at her home in San Francisco Monday.

Funeral services were held today at the Chapel of the Flowers in Berkeley. Mr. and Mrs. W. A. Loynd, the latter a sister of the deceased, attended the rites.

Another sister, Mrs. George Pace, resides in the bay area. The deceased was a niece of Mr. and Mrs. Robert P. Bick of Truckee. A son Michael Montague, 16, also survives.

The sympathy of the community is extended to the family.

SPELLING BEE TO BE FEATURE OF MEET

An old-fashioned spelling bee, pitting the parents against the students of the Tahoe Truckee High School, will feature the meeting of the High School P. T. A. on the evening of March 12 at the high school.

Mrs. Adaline Gunkel, P. T. A. president, urged all parents to study up on their spelling and take part in the event. A good time is assured and refreshments will be served at the conclusion of the evening's program.

The results of the spelling bee are sure to be interesting and a large turnout is expected.

MARRIAGE LICENSE

A marriage license was issued at Reno, Nevada to Charles E. Cushman, 20 and Sharon Louise Quinn, 14, both of Tahoe City.

Visits in Mexico — Mr. and Mrs. Cecil Edmunds recently stopped to see the Harold Langlans in Mexico.

Observed Date — Mr. and Mrs. Frank Giovannoni were in San Francisco last month, in celebration of their wedding anniversary.

Buelt Here — T. T. Buelt of Grass Valley was a visitor here this week combining business with the pleasure of seeing friends.

Breaks Legs — Richard Schull of Soda Springs was reported to have had the misfortune of breaking both legs while skiing.

Nine Candidates In Race For Position On TPUD Board

One potential candidate for the election to fill the four vacancies on the governing board of the Truckee Public Utility District has withdrawn his name from the list and another has been added.

H. L. (Bud) Owens on the final date for filing last Friday submitted his name as a candidate and Harold Welch, president of the board, withdrew his name, stating that stress of personal business would make it impossible for him to devote time to the district.

Other candidates who filed their petitions and whose names will appear on the May 5 election ballots are the three incumbents Dr. Ben King, Daniel Horman and Jack Neugebauer and Charles Vind, Jack Ellis, Lauren Russell, Ray Harsten, Jr., and Cecil Edmunds.

Six Candidates In State Senate Race

The secretary of state's office announced six candidates are qualified for a special election to fill a state senate vacancy in Nevada, Placer and Sierra Counties.

Charles J. Hagerty, assistant secretary of state, certified as candidates four Democrats and two Republicans. The election will be April 7th to fill the unexpired term of Congressman Harl T. Johnson (D) of the second, valley-mountain, district, who resigned when he took office in the house of representatives.

The Democrats qualifying for the special election are Ronald G. (Ron) Cameron of Auburn, Placer County attorney; R. C. (Ray) Dunlap of Roseville, Placer County Southern Pacific Company brakeman; Harold R. Rubin of Auburn, instructor at Sierra College, and Gerald B. (Jerry) Wallace of Grass Valley, Nevada County, lawyer.

The Republicans in the race are Weston W. Bruncker of Grass Valley, certified public accountant, and Bill Finger of Roseville.

FIRE-ETTES TRAVEL TO VIEW PAINT JOB

Five members of the Truckee Fire-Ettes, Gladys Dolley, Polley Hooper, Virginia Paddock, Lee Horne and Callie Kydd drove to Weaverville Tuesday, to see first hand the results of the concentrated efforts of the people of that community to clean up, paint-up their town. Although this work was done two years ago the enthusiasm which made this project a success is still evident.

The local group conferred with Mrs. Leonard Morris, chairman of the Weaverville paint-up festival, who explained the steps taken there to improve the looks of the community, and offered to come to Truckee to meet with the local committee if she could be of assistance.

Mrs. Morris presented the group with a letter giving a full explanation of the enthusiasm and cooperation enjoyed in Weaverville. This letter will be published in next week's issue of the time element preventing its immediate use.

NANCY WATTS WILL BE FINALIST FOR CSS

Nancy Watts, a Tahoe Truckee High School student, has been declared a finalist from among thousands of California students who have applied for a California State Scholarship.

In order to win this recognition a student must score in the upper 10 per cent of the nation in the college board entrance examination. Miss Watts has an excellent opportunity to win this scholarship which will pay a large part of her tuition of the college of her choice for four years.

CHRISTIAN SCIENCE LECTURE ON SUNDAY

The public is cordially invited to attend a free lecture to be held in the First Church of Christ, Scientist on Sunday March 8 at 3 p.m., in the Church edifice, 501 Riverside Ave. Reno, Nevada.

The subject is "Christian Science and God's Government," to be given by Robert S. Van Atta, C. S. of Wellesley Hills, Mass., a member of the Board of Lectureship of the Mother Church, The First Church of Christ, Scientist, in Boston, Mass. The nursery will be open to those attending the lecture.

Championships At Squaw Win High Praise From All

Ideal Weather Prevails In Area As Contests Concluded

The North American Championships, held at Squaw Valley and used as trials for the 1960 Winter Games, are over after one of the most successful events of its kind ever held.

The facilities proved excellent and skiers and officials alike were loud in their praises for the work done and plans outlined for completion. A number of changes were found advisable to further increase the adequacy of the valley and these changes will be made prior to the games.

Governor Edmund G. Brown, who visited the valley with Mrs. Brown and other guests during the weekend, proclaimed the facilities and idea of providing the state with such an outstanding recreational center as "marvelous." The governor dedicated one of the jumps during the busy visit.

The ideal weather provided an excellent opportunity for visitors to view the contests but the warm sun did not help the snow and ice and events by necessity were run off earlier in the day than planned in the beginning.

Paid admissions Saturday totaled approximately 2,000 and on Sunday this was raised to 3,000. These people added to those admitted free boosted the valley attendance to nearly 6,000 daily, it was estimated. During the second weekend of events, parking was permitted on the compacted snow area inside the valley.

THE WINNERS

Alpine Events

Men's slalom — Bud Werner, Steamboat Springs, Colo.

Ladies' slalom — Linda Meyers, Mammoth Lakes, Calif.

Men's giant slalom — Christian Prayda, Sun Valley, Ida., and Austria.

Ladies' giant slalom — Joan Hannah, Franconia, N. H.

Men's downhill — Werner.

Ladies' downhill — Miss Meyers.

Men's combination — Werner.

Ladies' combination — Beverly Anderson, Mullan, Ida.

Speed Skating

500 meters — A. F. Gjestvang, Norway.

1500 meters — Juhani Jarvinen, Finland (world record).

5000 meters — Knut Johannesen, Norway.

10,000 meters — Johannesen.

Nordic Events

30-kilometer cross country — Sixten Jernberg, Sweden. Kochkin, Russia.

80 meter jump — Kalevi Karinen, Finland.

15-kilometer biathlon — Lawrence Damon, Burlington, Vt.

Combined champion — Dmitri Kochkin.

Varien Frey Wins In Speaker Contest

Varien Frey was winner of the Truckee Lions Club student speakers' contest at last night's meeting of the organization held at Donner Lake Lodge. Tied for second place were Nancy Watts and Nancy Williamson.

All three presented excellent talks on the subject, "Is Complacency a Danger to America?" The judges were N. F. Dolley and Zeph Rose, with R. W. Siebold timekeeper and John Corbin, chairman of the contest.

Guests at the meeting included Muriel Frey, Dorothea Frey, Suzanne Reams, Mary Williamson, Edward Aweka. Frank Fox presided.

PTA FOUNDERS DAY PROGRAM MARCH 9

Parents and friends of Truckee Elementary School pupils are reminded that the regular Founders Day meeting of the P. T. A. will be held the evening of March 9th at 8 p.m.

A musical program will be the high-point of the evening, with elementary students participating. Nomination and election of officers for the coming year will also be held.

ACCIDENT RESULTS IN DAMAGE ACTION

AUBURN — A personal injury suit for \$30,000 has been filed by Aubrey I. Norris against Roy G. Howard as the result of an accident on US Highway 40 near Hampshire Rocks. Norris charges he was forced to jump from a moving truck because Howard improperly equipped and maintained the truck.

FIRST AID COURSE IS SLATED AT SCHOOL

A standard First Aid course will be offered at the Tahoe Truckee High School starting Thursday, March 5, 1959 at 7:30 p.m. The course will be taught by Charlotte Patroude, school nurse for the district.

The subsequent meeting will be arranged at the convenience of the group attending the first meeting. There will be a total of ten hours for the course.

AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO — (CNS) — Ap-
parently California isn't the only
state in the Union which sometimes
has trouble in protecting the
people's "right to know."

The Nevada State Journal, morn-
ing newspaper in Reno, reported in
an editorial last week that Neva-
da's legislation are considering a
bill, which has been given a do
pass recommendation by its assem-
bly ways and means committee,
allowing only the posting, instead
of the publication, of a list of state
claims.

"The fact of the matter is," the
editorial says, "that newspaper-
men everywhere are bothered when
official representatives of the state
start passing legislation to hide the
state's business from the public."

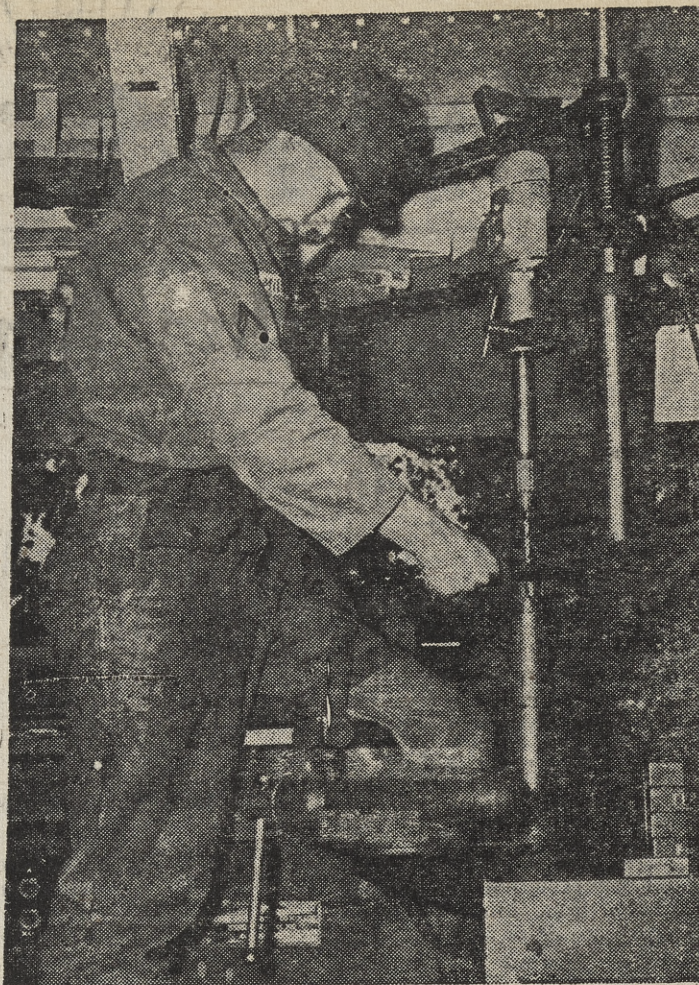

"When the claims list appears in
the Carson City Paper, it is scruti-
nized by Capitol City residents—
and by newsmen and others who
receive the paper in all parts of the
state. If sole notification is by post-
ing in the capitol building, it will

get practically no scrutiny at all.
"The present law wasn't passed
for the benefit of a newspaper. It
was enacted to make certain the
general public had access to a bit
of its own business. Practically
shutting off from public view the
lists of claims paid is an example
of the constant chipping away of
the right of citizenry to know what
its officials are doing, and how they
are spending public funds."

The editorial also pointed out
that generally, when newspapers
criticize measures which cause few-
er legal advertisements to be pub-
lished that the papers have ulterior
motives in protecting their revenue
sources. Only one newspaper in
Nevada prints the lists in question,
and the editorial says "furthermore,
the Carson City paper will hardly
be forced to discontinue opera-
tions for lack of this business."

Legal advertising in almost any
newspaper forms only a very small
percentage of the total advertising
space sold. Consequently, it is not
the loss of a small amount of legal
advertising which perturbs the
newspapers, but the constant drive,
in California at least, by civil ser-
vice bureaucrats, to undermine the
right of the public to know what's
going on in government.

And neither is the situation con-

MOBILE MECHANIC—When a piece of equipment of the
Army's missile-armed Southern European Task Force in Italy
is in need of repair, it isn't necessary to send it to the rear.
Private First Class Franklin W. Miller of Prosser, Wash., can
often fix it on the spot in his mobile machine shop.

YOUR VISION

By: Albert J. Demers,
Optometrist
**HOW TO PREVENT
VISUAL PROBLEMS**

It is possible to prevent the
development of visual defects that
cause "eyestrain." The evidence
is not conclusive, but it seems some
things can be prevented, others
probably not. However, some basic
rules about vision care can be
stated.

The easier the seeing conditions,
the less chance of eyestrain. Sym-
ptoms develop from visual defects
most quickly when the light is
bad: there is glare, and seeing is
difficult.

Good light is obviously necessary.
Depending upon the task, 20 to
100 feet candles may be re-

quired. There must be at least
a certain minimum of light;
above that point the actual
amount is not so important.

The direction of light is im-
portant. There must not be glare,
either from the light source or
from the working surface. Work-
ing areas should be dull to re-
duce reflection. The source should
be at least 45 degrees away from
the line of sight, and not so bright
as to attract the eyes to it.

The brightness of the working
area, the central 25 to 30 degrees,
as compared to its background
should not be greater than 3 to 1.
For example, the TV picture should
not be more than three times as
bright as its surroundings. The
details of the clerical job are eas-
ier seen if the book or paper, is
not placed on a dark surface. In
the factory, the immediate working
area should not be considerably
brighter than its background. It
is best to have some general room
illumination in addition to a light
directly upon the job.

Individual posture is a factor.
Tilted head, work held too close,
arms and back uncomfortable, un-
usual position and distance may
contribute to eyestrain. Near work
should be centered in a downward
direction, the distance—usually 12
to 20 inches depending upon the
individual.

If seeing conditions are good,
normal eyes can function for long
periods of time without harm and
fatigue. Each individual can con-
trol these conditions to some ex-
tent, and this control is a method
by which he might prevent develop-
ment of visual problems.

An ordinary paper bag is the key
to clean highways in California—
carry one in your car and use it for
car litter.

NEWS NOTES FROM TAHOE

NAOMI McLANE
Box 711, Tahoe City — JU 3-3187

From the crowds at Squaw this last weekend everyone of you has already seen all or most of the events that took place and are taking place these past days.

The jumps, of course, are eye and heart filling with those soaring figures outlined against the sky but the silent grace of the skaters

has a flamboyant appeal too. It was only fitting that with such perfection of human endeavor that the days were perfect too.

Last week while the Titans of Olympic Hill rested from their practicing and the great jumping hill loomed in lonely quite a young generation was jumping across the valley at the fine small jump that Wayne and Sandy Poulsen have had Halvor Halstead design, just west of their place. A two-night meet sponsored by Wayne, Sandy and Halvor was held Wednesday and Thursday nights for all youngsters of the Tahoe-Squaw Valley

area who cared to compete. Among the boys who tried the jump were: Grant, Gary and Chris Burner, John Carnell, Jim Becholdt, Bro Shontz, John Caulkett, Lance Poulsen, Nicky Wiegand, Parky and Calvin Becholdt, Jeff McLane and Dick Nielson.

Trophies were given by the sponsors to winners of the three classes. In class I Don Geisen, Parky Becholdt and Gary Burner received honors in that order. Nicky Wiegand and John Carnell tied for first place in Class II and Lance Poulsen took second place. In class II Jimmie Becholdt took first, his cousin Cal second and Bro Shontz, third.

Several men concerned with the Olympic events helped out at this junior met. Corey Gustafson acted as Chief of Hill, Pete Johnson announced the boys. Gordon Butterfield, Ralph Brunswick, Jerry Wetzel, Ralph Wiegand also helped. Chet Zoberiski, served as linesman and Dick Kochin jumped as a kind of Forerunner. Both of these latter men are Olympic jumpers. Bill and Carl Becholdt, Jr. served as judges. Refreshments were served to the boys at Poulsen's new Bear Pen restaurant by Jim and Mabel Commagere.

Mrs. Howard Guth flew this week to Cincinnati, Ohio, where she will visit her daughter and grandchildren for a short while. She will fly back.

Mrs. Phil Geier has been feeding a thrush, the like of which she has never seen before and she has been bird watching here at the lake through many seasons. She wonders if anyone else has seen a stranger thrush here too.

The St. Nicholas Guild met Tuesday night at the church. This is the third meeting of this group of women since the Reverend Welsh arrived to take over pastoral duties of the church. Dorothy Bury is serving as chairman of the group and Gladys Cahill as secretary protem.

Fourteen little guests helped Peggy Hoff celebrate her seventh birthday at a pink party at the home of her parents Max and Unis Hoff, Saturday. Peggy's birthday is really on the 26th of February but Saturday is a longer day to enjoy.

Waleswood lodge was opened by its new owners, Mr. and Mrs. Ronnie Mathewson this last month. Ronnie and Dottie are from San Leandro and they look forward to their year-round life here. They moved in during our most recent snowstorm. With them are their three children, Judy, Lynn and John.

John Calef, architect, who has property here near Tahoe City has been up the last several weekends. He recently moved from San Francisco to Reno where he is associated with the architectural firm of Ferrie and Erskine there.

Assemblyman George Brown of the 45th District was up from Sacramento to take in the Nordic events at Squaw Valley.

Mrs. Rowena Cincotta greeted several former students of Tahoe Truckee at Squaw Valley for she too came to see the events. With her were her sons, Howard and Paul, who enjoyed the skiing after their long absence from the snow.

Report has it that Diane McBride, 8 year old daughter of Dave and Chick McBride, has broken her

leg—"the same leg at the same place on the same hill". She was among the entrants at Edelweiss this weekend. All three of the McBride girls are excellent little skiers and it is to bad to have even one broken leg per season. More details will be available later.

Gary Henry is in a walking cast at last.

Reports of the newly formed TCO sounds like fun. This teen age group is sponsored by Philip Howard. They held a most successful dance Saturday night at the Community Hall with a good turnout.

Preliminary estimates indicate the value of California's 1958 production of field crops was \$806, 478,000.

NOTICE OF INTENT TO MORTGAGE

Notice is hereby given, pursuant to Section 3440 of the Civil Code of California, that the undersigned, Wayne E. Poulsen and Gladys K. Poulsen whose address is Drawer 15, Tahoe City, California and whose business is that of a restaurant and which business is known as Bear Pen, intends, as mortgagor to mortgage to Bank of America National Trust and Savings Association, whose branch address is given herein below, as mortgagee, certain personal property of which a general statement of the character thereof is as follows:

Restaurant and Bar Equipment which personal property is located at Squaw Valley, California, and that any consideration for said mortgage will be paid at the hour of 10 A.M., on the 12th day of March, 1959, at the Truckee branch of Bank of America National Trust and Savings Association at Truckee, California.

Dated at Truckee, California this 26th day of February, 1959.

WAYNE E. POULSEN

TNT Tidings

By Nancy Watts

The Lions Clubs of Truckee and Kings Beach held their finals in the Public Speaking Contest, Tuesday and Wednesday. At this time, it is not known who the winners in the respective clubs were, but Cynthia Reynolds, Luisa Sciutto, and Bob Williams competed at Tahoe on Tuesday, while Varlen Frey, Nancy Watts, and Nancy Williams spoke in Truckee on Wednesday. They all did very fine jobs.

Seven members of the Wolverette team went to Chico last Saturday to participate in a basketball clinic with other girls from all over Northern California. In their two games, Dorothea Frey, Judy Vaughn, Penny Hulbert, Janice Notley, Luisa Sciutto, Judy Fanger, and Lydia Craig defeated team from Nevada City and Gridley, and learned quite a bit. After going bowling and spending a thoroughly enjoyable day, the girls came home, tired but happy.

Student court has been held for the past few weeks at the meetings of student council. The court was held to try students who were there because of their improper

MONTY ATWATER IS SPEAKER AT MEET

CRYSTAL BAY — The Lake Tahoe Newcomers Club had an enjoyable and interesting evening at Crystal Bay Club February 25, the highlights of the evening being a talk given by Monty Atwater, avalanche expert at Squaw Valley.

Atwater and his wife, Joan, were honored guests of the evening. After his interesting talk, the speaker conducted a question and answer period which was both informative and humorous.

Following the talk, films of the 1958 Olympic Winter Games were shown.

TAHOE WEATHER

TAHOE CITY — Ideal weather has prevailed at Tahoe during the past week, with no precipitation recorded and the temperature ranging from a low of 24 to a high of 45. There were 20 inches of snow on the ground Monday. The lake level, with two gates open, stood at 6227.67, subject to revision.

conduct on the buses, rowdiness, and other offenses. Demerits were issued, and this system seems to be helping the problem.

LAST RITES HELD FOR MISS ALICE GRIFFITH

TAHOE CITY — Funeral services were held last Tuesday in San Francisco for Alice Griffith, 94, a pioneer summer resident of Tahoe City. Miss Griffith and Miss Elizabeth Ashe had a summer home called AGAE and were known by hundreds of friends throughout the area.

Those wishing to make a donation in her memory are asked to contribute to the St. Nicholas building fund at Tahoe City.

why hast thou forsaken me?" Pastor Rhoades will deal with this portion of Scripture Sunday.

Centuries have passed since the Psalmist uttered the eternal question: "What is man?" In spite of the religionists still ponder the problem. Is man a creature or a child of Deity? Is his nature divine or evil? Is he his brother's keeper? Pastor Taylor will discuss these questions in Sunday's Lenten sermon entitled: "What Can we Believe about Man?"

GET LICENSE
SACRAMENTO — (CNS) — The Contractors' State License Board announced it plans to issue a general building contractor's license to Harold B. and Larry B. Severson of H. B. Severson & Son, Box 27, Tahoe vista, if no protests are received by March 18.

The American Flag was first officially displayed over Alaska when Russian troops lowered their flag and U. S. Marines hoisted the Stars and Stripes at Sitka on October 18, 1867.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER
We are having our usual beautiful weather—part of the day today, Sunday, the temperature ranged in the 50 degrees. The weather has been made to order for the try-outs at Squaw Valley. The snow is melting fast and has practically disappeared; that is for the time being. The little chubby robins have been prancing around our front porch and in the trees.

CASINOS
Last Saturday evening was the busiest yet for the clubs at Crystal Bay so far this season. Both clubs being packed. Crystal Bay Club had wonderful entertainment in the form of community singing led by two accordion players with at least two hundred sitting all around singing. They provided fine music making the evening enjoyable. The Nevada Club had a special orchestra which was tops, which all made a brilliant weekend for the hundreds of tourists that have been up.

V. F. W.
Members of the V. F. W. Post 4746 and Ladies Auxiliary of Newark paid an unofficial visit to Post 7077 at the Crystal Bay Club last week-end and will return to their post in Newark in the very near future.

TO LA JOLLA
Louisa Antillon is going to La Jolla, with Mrs. Comstock for two months. Louisa has been an aide at the hospital in Truckee for some time and will be back there this summer. Louie, her husband, is going to stay home and keep the home fires burning.

RECOVERING
Lucille Draney has been in the hospital in Redding. She underwent an operation and has recovered so that she will return home tomorrow. We are sure glad to hear such good news and wish her good health from now on.

SAD NEWS
We are sincerely sorry to hear of the passing away of Mrs. Ethyl McPhee of Tahoe Vista and Reno. She had been quite ill for some time. Our deepest sympathy to the bereaved family.

VISITORS
Beverly and Wyman Williams were up from Pasadena for the week-end. They skied at Squaw Valley also taking in the Olympic events, and the fun at Crystal Bay. They couldn't get over this gorgeous weather and would like to have stayed on. They have a cute home at Brockway and will be back again soon with their three little boys.

TO MEXICO
We had a card from Mr. and Mrs. Arnold Miedema saying they were on a trip in several parts of Mexico and were just having fun. Arnold and Sophie are now living in San Pedro. They lived up here on Brassie Avenue for several years before moving to the south, where Arnold has been on the

Good eyes mean good memories. Care for your eyes at all times.

quarantine station.

FIRE
A fire on the property of Charles Cagle at Kings Beach destroyed one cabin and partially destroyed two others and could have developed into quite a conflagration, had it not been for the excellent work of the members of the North Tahoe Fire Control under the leadership of Curley Mason, as the houses on Golden Street are pretty close together. Since this happened Charlie has been quite ill as he has not been in very good health lately. Congratulations to our firemen.

SHOPLIFTERS
Within the last two weeks there has been two persons arrested for shoplifting—one a woman and the other a man. They both were picked up at the Stop and Shop Market in Kings Beach. Both were fined with severe warnings.

HIGHWAY PATROL MEN
The large amount of Highway patrolmen that have been in the area for the past couple of weeks

SUPPORT IS OFFERED LAKE AREA COUNCIL

CRYSTAL BAY — The Lake Tahoe Area Council has received a resolution from the Regional Planning Commission of Reno, Sparks and Washoe County commending the establishment of this new agency and offering the commission's complete cooperation with the council, it was announced this week by Fred M. Schultz, chairman of the council executive committee. A non-profit corporation formed in 1958 for the purpose of seeking solutions to problems affecting the Lake Tahoe region, the Lake Tahoe Area Council is being organized as an area-wide agency to effect cooperation and unity among the various interests in the Tahoe area.

According to Schultz, other offers of participation and support have come from planning commissions and directors of Placer, El Dorado, Ormsby and Douglas counties as well as the state planning boards of Nevada and California.

"Returned questionnaires indicate development of a master plan is considered the project of first importance for the council to undertake," Schultz stated.

Other governmental agencies, have retired to Sacramento and their home towns. Sergeant Frank Snyder of the Truckee division certainly had his hands full but did a marvelous job.

CHURCH BELLS
With our beautiful Christmas tree still glowing and the sound of church bells ringing from the Wee Kirk of the Pines every evening through the Lenten season makes us think that Christmas coming. On these clear nights they can be heard for a long distance and really beautiful.

RESIDENT PASSES
It is with great sadness that we have to report the passing of Sam E. Olson at a Reno hospital on Monday. Funeral services were held today at 3 p.m. under the direction of the Veterans of Foreign Wars. Mrs. Faye Olson is surviving widow. The deceased was a native of Colorado Springs.

civic groups, organizations and business firms who have volunteered assistance in the council are: Federal Agencies: department of interior, national park service, forest service, corps of engineers, bureau of reclamation, small business administration and federal housing administration.

Nevada and California departments of natural resources, fish and game, highways, forestry, health, highway patrol, park commissions and interstate compact commissions; California State divisions of water resources and small craft harbors; Nevada State department of economic development, national guard, civil defense and the University of Nevada; county sheriffs offices, Lake Tahoe area school, utility and airport districts.

Civic and other groups include: California State chamber of commerce, San Francisco bay area council, Californians, Inc., Nevada-Carson Lake Tahoe Association, Western Nevada industrial development commission, Tahoe improve-

ment and conservation association, Highway 50 association, San Jose, Reno, Sacramento and local chambers of commerce, building trades union, California State Automobile Association, Stanford Research Institute and Nevada Motel Association.

Some of the business firms offering support are: Standard Oil Co., Safeway Stores, Inc., Western Airlines, Bonanza Airlines, United Airlines, First National Bank of Nevada, Bank of America, Sierra Pacific Power Company, General Petroleum, Union Oil Co., and title insurance companies in Reno, Carson City and Auburn.

"Over 200 questionnaires have been received from people interested in participating in the council," Schultz said. "Meeting will be held at Lake Tahoe and in Reno, Sacramento and San Francisco in March for those with mutual interests to review preliminary plans for the council's 1959 program."

TRUCKEE, CALIF.

BEST FOR LESS

You are looking at a time machine

It sounds like science fiction: traveling across the continent in 4½ hours, New York to London in 6½, cutting airline schedules almost in half.

Yet these are routine for jet liners in the jet age — an era people at Standard's research laboratories have been working toward since the day seventeen years ago when we fueled the first U. S. jet flight.

Since then our scientists have worked with the armed forces to perfect fuels and special lubricants

for planes that fly faster than sound, or cruise non-stop around the world. They've also helped engine designers solve problems of heat and cold; aided airlines with faster airport fueling systems.

The sum of these years of development has been to add hours to the traveler's day, days to the tourist's week. In helping to harness time, as well as putting petroleum to many other uses for you, the people at Standard are planning ahead to serve you better.

Loaded for trouble?

To the youngsters, a drive with the gang is great fun. But driving is serious business, too. Last year, nearly 40,000 people died in traffic accidents — many of them killed by drivers whose minds weren't wholly on their job. So stay alert every minute when you drive. Keep driving fun—and safe!

Help stop senseless killing on our highways. **Drive safely** yourself. **Insist on strict law enforcement** for your own protection. Work actively with others to **support your local Safety Council**. Remember—where traffic laws are strictly enforced, deaths go down.

TAHOE TRUCKEE SCHOOL NEWS

KINGS BEACH SCHOOL STUDENT COUNCIL: The two films that were scheduled to be shown by the Kings Beach School Student Body Council were canceled because the film company had previous booking for them; so no more movies will be shown this school.

Our regular monthly assembly was held Friday, February 27, at 10:30 a.m. The main order of business was the installation of the new student body officers. Mrs. Ferrari's class put on the program. It consisted of a play, "Spring," and several songs.

KINDERGARTEN: Our class has three new members, bringing our enrollment to 31. Jackie Freeny comes to us from Oklahoma. Robin Palmer comes from Alameda, California and Glenn Belvin moved here recently from Reno.

SECOND GRADE: This week, we had four visitors Dr. Conrad Wedberg, speech consultant from the state department of education, Sacramento, visited our room and discussed speech problems. Mrs. M. Carroll, of Homewood, observed classroom procedure. She plans to be a substitute teacher in our district. Mrs. Ray Plunkett, Cindy's mother, visited us Wednesday. Dr. P. Beldon, language arts consultant from Chico State College, listened to several of our children read. We were happy to have these guests visit our class.

Jennifer Hoffman, Philip Goodrich and Mickey Barker have been ill this week due to colds.

TRUCKEE ELEMENTARY KINDERGARTEN: Our boys are doing woodwork now. They are making chairs from orange crates. While the boys do that, the girls are working on a circus project.

Several members of our class have been on recent trips, and made reports to the class. Kathy Osburn has been in Death Valley. Sharon Ford visited in Vallejo. Karen Barrett went to Berkeley. Steven Mitchell spent a day in Columbia, California.

FIRST GRADE: Those who received a perfect score on the arithmetic test for this week were: Byron Johnston, Drusella Turner, Kent Mullis, Deborah Pratt, Larry Doyle, Kathryn Campbell, Deborah Abrell, Mark Manley, and Dennis Weiler. Children who have had only one mistake were: Diane Rose and Debby Jo Wurst.

We have started our unit on the farm.

SECOND GRADE: Best spellers this week are Mary Lou Randall, Stevie Kenyon, David Capel, Charles Anfield, Sandra Eckerman, Elizabeth Richards, Sandra Ferdinand, Sandra Davis, Curtis Melugin, George Franceschini, Bruce Leamon, Jeffery Jellin, Jos Merica, Phyllis Brown, Tammy Richards, Kathy Decker, Claudia Rhoades, Yvonne Johnson, Anna Maria Collier, Michelle De Lisle, Terry Higgins and Kathy Stowe.

The children are happy to see the playground being plowed and scraped. Physical education will be in the yard if we have no more snow.

THIRD GRADE: Diane Daly, Barry Waters, Michael Kydd, Thomas Holleman, Robert Goldsmith, Stephen Schooley, Jennifer O'Neil, Roger Swanson, Jerry Neugebauer, Shirley Davis, Kenneth Bretthauer, Judy Ingalls, Carol Brown, and Richard Martin all had 100 per cent correct on their spelling this week.

THIRD AND FOURTH GRADES: Good house keepers this week were: Augustine Acosta, David Higgins, Mike Davis, Karel Sauby, David Derting, Elgin Johnston, Jill Wurst, Wilbur Glenn and Linda Russell.

SAFE WALKING TIPS

WALK ON THE LEFT SIDE

If pedestrians had eyes in the back of their heads, it would not be so important to walk on the left side of the road. Since they don't, it is most necessary to observe this cardinal rule of pedestrian safety.

The American Automobile Association reports that 19 per cent of all pedestrian deaths in rural areas involve persons walking in the roadway. Chances are that many of these deaths would not have occurred, if the victims had walked on the left side of the road—FACING traffic. Always follow this rule yourself when walking in suburban areas, on country roads or highways. You'll live longer.

From PLANNED PEDESTRIAN PROGRAM, published by The AAA Foundation for Traffic Safety

Those making 100 per cent on spelling were: Rhonda Manley, Kathy Braasch, Jack Melugin, Ken Hensley, Jill Wurst, Karel Sauby, Linda Russell, Pam Horman, David Curtis, Augustine Acosta, Phillip Riden, Elgin Johnston, Wilbur Glenn, Rod Farley and Mike Davis.

FOURTH GRADE: Earning 100 per cent in spelling for two weeks straight were Darlene Doolittle, Gail Englehart, Chris Foster, Beverly Holleman, Marianne Moore, Craig Mullis, Dennis Richards, Terri Richards and Garee Lynn Stewart. Outstandings in social studies go to Gail Englehart, Chris Foster (2), Terri Richards, and Billy Sassarini. In recognition of improvement the names of Eileen Olson, Karen Hedlund, Stephen Weiler and Richard Purington deserve mention. Outstanding Activities: Chris Foster, a knitted doll; Pat Merica, an article on the U. S. Coast Guard; Marianne Moore, a model loom from Sweden; and Bruce King, a rabbit fur. For having the neatest and cleanest desk John Collier.

FOURTH GRADE: The fourth grade again takes the honors. Tim McLane and Mike Grayson manage to hobble around rather well after having skiing accidents. Future politicians or statesmen (based on the cakes, apples, and candy found on teacher's desk) could be Sharon Petersen, Terri Richards, Beverly Holleman, and Darlene Doolittle. We are all pleased to have Donna Smith return to our class.

FIFTH GRADE: The fifth grade's third art show was by far the most successful. Twenty students participated in the competition part of the show. Once again the very productive Miss Betty Saarni took top honors capturing the first two places, but competition was close. Ricky Ralphs and Dave Douglas tied for third place. While Miss Diana Pankoke took fourth place. Others who displayed excellent work were Karen Walker, Teddy Daniels, Larry Digesti, and Walt Dallas.

SIXTH GRADE: We are happy to welcome back Janeen Smith after her transfer to Irvington, California.

In our spelling test the following children received one hundred percent: Kenneth Taylor, Judy McGinn, Marcia Leamon, Tony Kenyon, Marilyn James, Jim Roth, Denny Stumbaugh, Patti Byrd, Janeen Smith, Steve Davis, David Fordham, Mike Sauby, Danny Garcia.

NOTICE OF GOVERNING BOARD MEMBERS ELECTION AND COUNTY BOARD OF EDUCATION ELECTION

2 Members of Sierra Junior College, Junior College District.
1 Member of Tahoe Truckee Unified School District, Unified School District.

2 Members of Placer County Board of Education.

NOTICE IS HEREBY GIVEN TO THE VOTERS OF THE ABOVE DISTRICTS OR DISTRICTS OF THE County or Counties of Placer and Nevada, California, that the Annual Election for members of the Board or Boards of the said district or districts will be held on the third Tuesday of May, namely, May 19, 1959, for the purpose of electing the number of members of the governing boards of the districts as indicated above.

The polls will be located at:
Precinct No. 1—Donner Trail School, Kingsvale.

Precinct No. 2—Kings Beach Elementary School.

Precinct No. 3—U. S. Post Office, Floriston.

Precinct No. 4—Tahoe Lake Elementary School, Tahoe City.

Precinct No. 5—Truckee Elementary School.

The polls will be kept open between the hours of 7:00 o'clock A.M. and 7:00 o'clock P.M.

The election returns will be canvassed at 10 a.m. o'clock on May 29, 1959, by the county superintendent of schools at 138 Maple Street, Auburn, California.

Deadline for the receipt of absentee ballots is May 28, 1959.

Forms for declaration of candidacy may be obtained at the office of the county superintendent of schools, 138 Maple Street, Auburn, California.

The last day for filing declarations is April 17, 1959.
Dated March 2, 1959.

ALBERT F. BEQUETTE
(County Superintendent of Schools)

All qualified voters of the school district who were registered at least 54 days before the election in the (general election) precinct in which this election is held may vote thereat m 5-12-19

NOTICE OF REQUEST FOR BIDS

NOTICE IS HEREBY GIVEN that sealed bids in duplicate will be received by the Directors of the Truckee Public Utility District at the office of the District, Main Street, Truckee, California, until

9:30 a.m., March 19, 1959, for the purchase of the following:

(1) Model 310B Case Blackhoe Loader with Sim's All Weather Cab, 8 speed transmission and power steering, 13x24 6 ply rear tires, 750x16 6 ply front tires.

Specifications for the above equipment may be obtained from the Manager of the District.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

To Whom It May Concern:

Subject to issuance of the license applied for, notice is hereby given that the undersigned proposes to sell alcoholic beverages at the premises, described as follows:

S.S. Hwy. 40—1 Mi. E. of Norden, Placer Co., California.

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control for issuance by transfer of an alcoholic beverage license for these premises as follows:

ON-SALE GENERAL

(SEASONAL-QUARTERLY)

Anyone desiring to protest the issuance of such license may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provide by law. The premises are not now licensed for the sale of alcoholic beverages. The form of verification may be obtained from any office of the Department.

Ski Inn Lodge Associates, Inc.

NOTICE OF INTENDED TRANSFER

NOTICE IS HEREBY GIVEN that Joseph H. Schuler and Vida Schuler, whose address is U. S. Highway No. 40, Truckee, California, intend to transfer to N. F. Dolley and Gladys Dolley, whose address is Dolley Apts., Highway 89, Truckee, California, the following described property:

All of the equipment and stock in trade owned by said transferees and used by them in the conduct of their service station business commonly known as Schuler's Texaco Service and located on U. S. Highway No. 40, Truckee, California.

Said transfer will be made to satisfy an existing indebtedness.

Dated: March 3, 1959.

"Brother—they ought to put that one in jail!"

Why all the carelessness, bad manners, outright law breaking? Because someone's in a hurry or just isn't thinking? Pretty silly reasons for flouting with death. Nearly 40,000 died last year in traffic accidents, many because good drivers drove recklessly just once. Keep your head!

Help stop senseless killing. Drive safely.

STRICTLY
STRICKLAND

By Bill Strickland

(The opinions of the writer are
his own and do not necessarily re-
flect the opinions of others.)

Spring skiing conditions have
certainly prevailed through out
the Sierras for the past two weeks.
Shirt sleeves—sun burned noses
and corn snow—quite a combina-
tion. All of the area operators are
happily watching the crowds arrive
as a result of weather conditions.

Sugar Bowl, Donner Ski Ranch,
Soda Springs, Rainbow, all packed
to an almost maximum capacity.
Long fingers of people standing in
line awaiting their turns to use
the ski lifts—the procedure being
followed by those who are hungry
—all wanting to eat at approxi-
mately the same time; so having
to wait until others are served.
The only diviation is the winter

EASTER SEAL CAUCUS—Tommy Wheeler, 10, of San Diego
and Governor Edmund G. Brown discuss how the 26th annual
Easter Seal fund drive, beginning February 24, will help Cali-
fornia's crippled youngsters. Tommy, a victim of Legg-Perthes
disease, is state Easter Seal poster boy for 1959. After Tommy's
visit, the Governor made the first contribution to this year's
seal campaign and issued a proclamation designating February
24 to Easter Sunday, March 29, as Easter Seal Month. Easter
Seal gifts from the public provide year-round rehabilitation,
including medical care, summer camping for crippled children
and employment training for handicapped adults.

operation at the Sierra Lakes Club.
This development is being used
to near capacity daily, not just
week-ends, by its members.

It appears to be the answer to a
lot of questions concerning ski
developments. It certainly is the
answer for those who want to be
able to get in a full day of skiing
or other winter sports activities.

The last junior point meet of
the season will take place starting
tomorrow—March 6 and run
through Sunday March 8. Place:
Reno's Slide Mountain. The Far
West Ski Association representa-
tives will be selected to compete in
National Competition at its con-
clusion.

Alpine Events will have the top
ten men point winners—top five
women point winners.

Nordic Events will select the top
ten men only, in Cross Country,
Jumping or a combination of the
two.

From here it looks like Starr
Walton and Smiley Tschopp will
lead the Alpine girls. Jim Heuga,
Gary McCoy, Jon Reveal and Mike
Foley appeared to be the class of
the mens Alpine field.

Bob Strickland and Dan Hedlund
should dominate the Cross Country
field.

Dan Hedlund and Wayne Poul-
sen, Jr. are the leading Jumpers.
For the first time since Ronnie
Rau and Dick Miller led the way
in 1957, the far west has an excel-
lent chance to sweep to victory in
all events.

Starr is the defending downhill
and combined champion—and
should repeat.

Jim Heuga and Gary McCoy have
shown their potential by beating
some of the U. S. A.'s outstanding
Olympic candidates—either one
could take both events and the
combined title.

There isn't a junior skier in the

NOTICE OF SALE

Under and by virtue of an execu-
tion issued out of the Superior
Court of, in and for the County of
Alameda, State of California, on the
23rd day of January, 1959, in an
action numbered 284798 wherein
W. A. Blackford as plaintiff re-
covered judgment against J. E.
Bledsoe and Evelyn V. Bledsoe, his
wife, defendants, on the 24th day
of January, 1958 for \$5,682.65 dol-
lars, lawful money of the United
States of America, with costs of
suit, and commission and fee of
levying officer added thereon I
have levied upon the following de-
scribed property, to wit: Real Prop-
erty in Nevada County, California,
described as follows:

Lot 4 in Block A, Donner Woods
No. 1 as shown on the map thereof
filed in the office of the County
Recorder of Nevada County, July
15, 1958, in Book 1 of Maps at page
90.

Which said real property stands
in the names of James E. Bledsoe
and Evelyn V. Bledsoe by virtue of
deed from Myron B. and Elaine
L. Clough dated September 26,
1957, and recorded September 30,
1957 in Book 237 of Official Records
of Nevada County, page 261.

And notice is hereby given, that
on Wednesday, the 11th day of
March, 1959, at 10 o'clock a.m.,
in front of the Truckee Sheriff's
Sub-Station, Truckee, County of
Nevada, State of California, I will
sell all the right, title, and interest
of said defendants, J. E. Bledsoe
and Evelyn V. Bledsoe, his wife in
and to the above described prop-
erty, or so much thereof as may
be necessary, at Public Auction, for
cash in lawful money of the United
States, to the highest and best bid-
der, to satisfy said execution and
all costs.

Dated at the Sheriff's Office, Ne-
vada County, this 31st day of Janu-
ary, 1959.

WAYNE BROWN, Sheriff
County of Nevada

By Elmer Oates, Deputy
f 19-28-m5

In the 30 kilometer cross country
at McKinney Creek on Saturday,
the field of twenty saw ten of the
greatest distance runners in the
world battling for first place.
Thirty year old Sixten Jernberg of
Sweden made up a two minute
deficit in the last 10 kilometers
to win by 41 seconds over second
place Veikko Hakkinen of Finland.
In third place just 79 seconds be-
hind Hakkinen was Kalevi Hamlainen,
also of Finland. Then fol-
lowed Hallgeir Brenden of Nor-
way—sixty one seconds back of Ham-
lainen. Rolf Ramgard of Sweden fol-
lowed Brenden for fifth place. The
next four runners finished within
thirty four seconds of each other.
Nikolai Anikin of Russia—1 hr.
58 minutes, 3 and five tenths sec-
onds—for 6th place. Just 3-10th of
one second behind Anikin was
Oddmund Jensen of Norway for
7th place.

Eighth place went to Haakon
Brusvgen of Norway—just 28 sec-
onds later—and ninth was Pavel
Kolchin—Russias world champion
distance runner last year, 8 seconds
behind Brusveen.

My reason for presenting the
times in the above fashion are two-
fold. First to show the type of
competition this country's runners
will be up against next year. The
1958 world's champion was beaten
by eight-count 'em, eight racers
who will be racing next year.

Second—and this needs clarifi-
cation to you followers of Alpine
skiing—where as Bud Werner top-
ped Kenny Lloyd for four full sec-
onds in a one and one quarter mile
downhill race, the nordic time
differential was only three tenths
of one second. Between Anikin of
Russia and Jensen of Norway.
What's so unusual about that, you
ask? Just this. 30 Kilometers is
eighteen and six tenths miles.
That's right. 18.6 miles of climbing
—twisting—turning, through the
forest, running. The winner aver-
aged running each mile in 6 minu-
tes and seven seconds. All 18 and
one half of them.

When two men race over an 18.6
mile distance and end up with
only 3-10th of a second between
them, it's really competition.

One San Francisco sports editor
stated in his column that the U.S.A.
made a miserable showing. Maybe
as far as the public is concerned
they did—but as far as the U. S.
racer was concerned, he made a
fine showing. Sure, thirteen men
beat him, but ten were recognized
as the world's finest—not of Cali-
fornia, or the western hemisphere,
but the world. World population
now-almost three billion.

To me, that fourteenth place
is an amazing achievement, and
the young man who made it, did
it by himself.

I wrote not to long ago that
California was building a beauti-

ful Olympic ship to the tune of
\$12,000,000—but the builders had
completely overlooked the need of
providing a trained crew, to man
that ship.

Some of the other countries not
only have the trained crew, they
are very anxious to be in command.

One year was required to con-
struct the one-acre hydraulic model
of San Francisco Bay, located at
Sausalito.

American agriculture buys more
petroleum than any other industry
—nearly 15 billion gallons a year.

The name America was first ap-
plied to Brazil in honor of Amerigo
Vespucci, who claimed its dis-
covery.

TROUT LIMIT

Continued from Page 1

Wente, San Francisco. Commissioner Jamie Smith, Los Angeles, voted against it after his own substitute motion for a statewide limit of 10 fish died for lack of a second.

Adoption of the split limit satisfied northerners but was not well received by southern sportsmen in attendance at the meeting.

Todd Watkins, Bridgeport publisher, said he had no objection to the 10-fish limit but felt that, if anyone got a 15-trout limit, Inyo and Mono counties wanted to be in on it.

Smith made a brief statement following the vote on Cline-Schmidt's motion.

"We are sooner or later going to have to face up to the fact we can't continue to serve the growing number of fishermen," he said.

"I felt this was the time to do it. I bow to defeat," Smith continued, "but I will be back again next year."

Otherwise, the biggest argument in the Commission's annual regulation setting meeting came over the use of minnows in inland waters. The commission finally adopted a regulation to permit use of golden shiner, flathead, mudsucker, mosquito-fish and red shiner minnows for bait.

This did not include San Diego county, the Colorado River area, or Tahoe, Donner and Fallen Leaf Lakes, which have special minnow regulations.

Debate over outlawing use of wild minnows, typical of many before the commission, contained more noise than facts.

Under regulations adopted, season openings would be similar to last year, except for some changes in local regulations.

CAMERON ENDORSED BY ENGLE FOR POST

United States Senator Clair Engle's endorsement of the candidacy of Ronald G. Cameron for the State Senate, 7th District, was announced Tuesday by the latter's campaign headquarters in Auburn. In a letter to the Auburn attorney running with the Democratic party endorsement Engle declared, "It will be a great pleasure to me to see you added to the long list of my old friends serving in the California State Senate."

"I write to wish you every success in the race for State Senator in the 7th District," the United States Senator continued. "Your long and active participation in the civic affairs of your area give you an understanding of the problems you will meet in representing the district in the Senate."

"I believe that you have the ability, the honesty, and the courage to be an outstanding senator."

In expressing his appreciation for Engle's support, Cameron replied that:

"I will do my utmost to warrant your continued confidence, and if elected will work with local and state officials to effectively make a contribution toward a sound and progressive program for California and at the same time assist in the orderly development of the economic resources of our area and the fulfillment of the legitimate desire of the people of this district."

The special election to fill the state senate vacancy has been set by Governor Edmund G. Brown for April 7th.

Warren Porter, popular merchant of Tahoe City, is under treatment at the Tahoe Forest Hospital for a light stroke.

FORMATION OF GUILD PROPOSED BY CHURCH

A meeting of the local Catholic women was held last Thursday evening at 8:00 p.m. at the parish hall under the direction of Father O'Neill. The purpose of the meeting was to formulate the Assumption Guild, an organization to promote the spiritual and social functions, and to assist in parish activities. They hope to affiliate with the national council of Catholic women in the near future.

Twenty women were present from Truckee, Soda Springs and Floriston. The following officers were elected: president, Mrs. Ed Andrus; vice-president, Mrs. Henry Toccalini; secretary, Mrs. Charles Carroll and treasurer, Mrs. Carroll Maynard.

Plans are under way for a public bingo party to be held on St. Patrick's Day, March 17th.

Father O'Neill was pleased with the large attendance and hopes that those who were not able to attend our first meeting will be present at the next meeting which will be held on Thursday, March 12th at 8 p.m. in the parish hall.

Similar guilds have recently been organized in Tahoe City and Kings Beach areas, namely Corpus Christi Guild in Tahoe City and Our Lady of the Lakes Guild in Kings Beach.

VANDERBILT RACES SCHEDULED AT BOWL

SUGAR BOWL — The Vanderbilt Memorial Intercollegiate Four-Way ski meet will take place this coming weekend, March 6-7-8. This race is sponsored by the University of California Ski Club and was first held in 1938 as a memorial to Warren Vanderbilt, Cal's first ski team captain. He was known as the best downhill man in any western college before his death in 1937 as a result of a rock climbing accident at Clipper Gap. The race has now become one of the most important of the western intercollegiate meets.

The courses will be set by Sugar Bowl Ski School Director Junior Bounous. Participating teams will be from the University of Nevada, Sierra College, Chico State, Stanford, San Jose State, Oregon State and the University of California. Girls' teams will be from Cal, Stanford, Mills College, Sierra and American River College.

All events will take place at Sugar Bowl:
Friday, March 6 — Downhill
Saturday, March 7 — Slalom
Saturday — Cross Country
Saturday — Girls' Giant Slalom
Sunday, March 8 — Jumping

Grows in Death Valley — Mr. and Mrs. Leslie Grow returned from a trip to Death Valley.

LEAGUE

Continued from Page 1

highway along the west side of the Lake.

MAKE AVAILABLE
"As the author of the bill which made possible the creation of Emerald Bay State Park, I wish to say that in my opinion it was not the intention of the legislature that passed the bill that Emerald Bay should be locked up as a sort of wilderness, but rather the idea was that it should be available for the use and enjoyment of the people of California."

"It is my sincere belief that a low level highway could be constructed through D. L. Bliss and Emerald Bay state parks without injury to the parks, and that it would really make more available to the public, the use of the parks and also the opportunity to see the scenic beauties of both Lake Tahoe and of Emerald Bay, Eagle Falls and the snow mountains to the westward."

And from another source, a long time resident of the area says: "Keep pounding the 'bird-watcher's' on the Emerald Bay project. I can't understand the reasoning of these people who place isolation over human safety."

KINSHIP NOTED
It is easy to understand the possible reasons for the entry of the Save-the-Redwoods League into the battle. Newton B. Drury, the elderly chief of the state division of beaches and parks, who retires because of old age this year, is the brother of Aubrey Drury, of the Save-the-Redwoods League.

A bill is before the legislature to make Newton Drury's job appointive by the governor, instead of the state park commission, which has members who would retain state parks in their "natural state", rather than make them available for public usage, even though the public pays the bill for the plush residence of the park employees located in the parks and the costs of administration and acquisition.

So if Governor Edmund G. Brown gets the bill giving him the measure, and install someone in the chief's job who will give the public a little consideration. California is a growing state and the attitudes of fifty years ago can't keep pace with modern development.

Eventually, a low level road, with a bridge across Emerald Bay will have to be constructed. So the question is why waste millions boring a tunnel through the mountains, where the sight-seers can't see anything?

SOROPTIMISTS ARE PLANNING FOR PLAY

TAHOE CITY — The Soroptimist Club of Lake Tahoe held their final meeting of the month Tuesday evening, February 4, at Crystal Bay Club with President Mickie Mandeville presiding.

The club approved a donation for the Squaw Valley-Lake Tahoe Ski Club fund to send Jimmy Heuga and Smiley Tschopp to ski competitions throughout the U. S. in order that they may qualify for the 1960 Olympic Ski Team.

A report was made on the club's information booth at Squaw Valley during the North American Ski Trials. This committee was headed by Dorothy Caulkett and Marjorie Fellows.

Blanche Donaldson reported that progress on the play, "The Drunkard", was satisfactory, and appointed several committees to aid in selling tickets and advertisements. Proceeds from the benefit will go to Tahoe-Forest Hospital.

MARTHA POPE HAS BIRTHDAY PARTY

KINGS BEACH — Martha Pope, daughter of Mr. and Mrs. Walter Pope, of Kings Beach, celebrated her sixth birthday Sunday by entertaining a group of her friends at her home.

Those attending were Suzanne Thompson, Becky Anderson, Jon Jensen, Craig Watson, Penny Jensen, Billy Braehler, Chauly Hooper, Cyd Moore, Richard Abbott and Francie Baxter.

Martha's brother, Gregory, skippered the event and went fishing. He came home proud as punch with a 21½ inch fish.

CLASSES START

Father P. J. O'Neill reminded parishioners of the Truckee Parish of the Catholic Church that the Confraternity of Christian Doctrine classes will begin this evening, March 5 at the Parish Hall at 8 p.m. The classes will be conducted by Sister Eva of the Sacred Heart Order. All are welcome.

HULLS WRITE

Mrs. H. H. Hull of Petaluma wrote this week, rounding out 25 years as a Sierra Sun subscriber. Mr. and Mrs. Hull are well remembered as former Tahoe City residents and the writer asked to be remembered to their friends and has been following with keen interest the many changes which are being realized in the area.

MOVE TO ISLETON

Mr. and Mrs. W. O. Spratt accompanied Mr. and Mrs. George Water to Isleton this week, the change being made to benefit Mr. Waters health. The local couple have lived here for many years and their friends wish them happiness in their new location.

Local Patients—

Local hospital patients last week included a number from this district, including Mrs. Rexine Schwenn, Clint Grady, Dave Tremaine and George Waters.

Living At San Pablo—

Mrs. Joyce Randall has left to live at San Pablo.

NEW BOOKS WILL BE UNDER DISCUSSION

New books have arrived for the Great Book Discussion Group and the first meeting of the year is scheduled for Wednesday evening, March 11. Miss Winifred Collins and Mrs. Charlotte Patoude will lead a discussion of selections from Confucius's beginning at 8 o'clock. The meeting will be held in the library of the Tahoe-Truckee high school in Truckee.

McGee in England—

Mr. and Mrs. Alvin McGee and daughter are living England where he is a member of the armed forces, according to his mother, Mrs. Garling McGee of Grass Valley. The family lived here for a number of years.

WOLVERINES

Continued from Page 1

on top. Holbrook and Merica had 19 of the Wolverines 27 points in the first half while South Tahoe could tally only 11. South Tahoe continued to be frigid from the floor in the third period and it ended 33-18, TnT.

Next night the Mountaineers found themselves in the boots of their first victims. They could only muster 11 points in the half while Douglas was busy building up 27 points to end the scoring at the intermission. The visiting TnTers only could outscore their opponents by one in the third stanza to trail 36-21. Big six foot seven inch Hans Boeving and guard George Wyatt of the Tigers put the finishing touches on the Wolverines in the last five minutes by dumping in 12 points combined to give the Douglas boys the victory. Craig Robinson was the big thorn in the Tiger's paw for Tahoe Truckee, scoring 18 points on deadly sets and almost stealing the show from Boeving who scored 19.

Since the Wolverines had lost in a semi-final game and so had Yerington they then met for third place.

Although the game was of no significance as far as a berth for the state finals and only was a consolation trophy, the Wolverines were out to get it. The Lions led continually throughout the first half at quarter marks of 11-8 and 31-22. But frequent rallies in the second half by the pursuing Mountaineers brought them to within 4 or 5 points only to fall back to a 10 point deficit. One final surge got Truckee to within six points with 36 seconds remaining but failure to capitalize on free throws paved a clear road for the Lion win.

Bob Merica and Craig Robinson tallied 13 and 12 respectively in the losing cause with three-fourths of their totals coming in the last half. Robinson was picked to the all tournament team for Coach Jim Brehler's Wolverines along with nine other members of different teams. Rex Donaldson, Gary Holbrook, Woody Ribal, and Gary Hulbert also turned in fine games throughout the tourney for Tahoe Truckee. These games concluded the Wolverines season while Douglas and Winnemucca will represent the "A" conference in the state finals to be held tomorrow in the University of Nevada Gym.

GIRL FOR BORENS

Suzanne Elizabeth joined the family of Mr. and Mrs. John Boren of Truckee February 24, having arrived on that date at Tahoe Forest Hospital. Her birth weight was a round 6 pounds, 14 and one half ounces.

Grand Niece For Two—

Mr. and Mrs. George Paras of Sacramento became the parents of a daughter born in February. The family frequently visits with her aunts, Mesdames Elden Tonini, Mary Zunino.

Fetes Friends—

Mrs. Lauren Russell entertained a card club group last week. Refreshments and visiting concluded the pleasant evening.

SENIOR ROUNDUP IS DISCUSSED IN MEET

Senior Troop No. 6 of the Sierra Nevada Girl Scout Council held their regular meeting on March 3 in Reno.

Among the many things discussed for the 1959 Senior Roundup to be held in Colorado Springs, Colorado, were demonstrations and exchange of swap items.

A birthday cake was served in the honor of Dorette Rose. The next meeting will be held on March 17.

In Capital—

Mr. and Mrs. Ernest DeLisle and E. D. Sullivan were Tuesday Sacramento visitors.

Our Own Acts Affect
Our Good Health . . .

. . . and common sense living is an excellent guide to follow. The functions of medicine and surgery are most often used to help nature overcome the results of our own abuses and neglect.

By normal care, by regular living, and with the aid of frequent examination by your Doctor, you can maintain better health. An important part of this care is the use of highest quality drugs and medicines, such as those of Parke, Davis & Company—which are regularly stocked at this pharmacy.

Lake Tahoe-Truckee Property Owners

The second best investment you can make is a complete tree service to protect the trees on your property from insects, parasites, fungus and fire. A complete job should need no further expense for the life of the present crop of trees. We specialize in forest sanitation to improve the health and thriftiness and resistance of your trees to ever present hazards. The increasing money values of land in the forest, brings notice to the important factors that contribute to this increase, and indicate more attention to preserving the natural beauty of your property. You may have a cost estimate free, and recommendations by a qualified Forest Technician. You may get this free information now and fit it into future improvement plans.

THE GREAT QUARTZ CAVE'S PREHISTORIC SECRET... FOR A THOUSAND YEARS, HERE LAY HIDDEN THE RECORDS OF AN UNKNOWN AGE OF COPPER AND A PREHISTORIC LANGUAGE SCIENTISTS NEVER DISCOVERED

WHEN YOU FOUND THIS WATER ENTRANCE TO THE GOLDEN KING'S QUARTZ CAVE, ITO, YOU MADE A **GIGANTIC** HISTORICAL DISCOVERY... UNDISPUTABLE EVIDENCE OF A PREHISTORIC AGE OF **COPPER**!

SCIENTISTS, CENTURIES AGO, FOUND EVIDENCE OF MAN'S STONE AGE AND IRON AGE, BUT FATE LET YOU DISCOVER AN AGE OF MAN HISTORIANS KNOW NOTHING ABOUT! HERE LIVED MEN WHO KNEW THE SECRET OF COPPER... WHO KNEW HOW TO MAKE AND USE TOOLS OF PURE COPPER!

EVEN MORE IMPORTANT ARE ENGRAVED COPPER PLATES... WRITTEN RECORDS OF A LOST CIVILIZATION NOBODY KNOWS EXISTED. WE HAVE FOUND **LOST HISTORY**!!

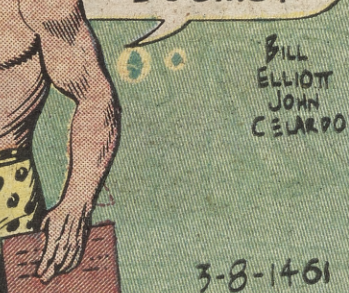

THE GOLDEN KING'S PEOPLE HAD A WRITTEN DOT-AND-DASH LANGUAGE--A PREHISTORIC MORSE CODE! MEN USE DOTS AND DASHES TODAY TO SEND OUR TELEGRAPH MESSAGES!

LIKE THE TALKING-DRUMS THE MEDICINE MEN USE TO **BOOM** JUNGLE MESSAGES? LITTLE **BOMS** AND LONG **BOOMS**?

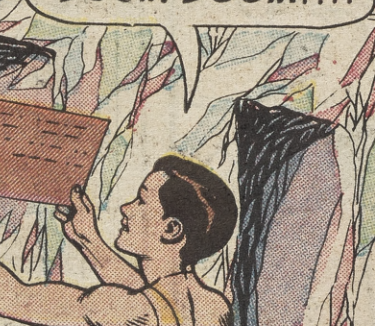

EXACTLY, ITO! DRUMS CAN BE USED TO TELEGRAPH A DOT-AND-DASH LANGUAGE--SHORT-DOT **BOMS** AND LONG-DASH **BOOMS**!

THE GOLDEN KING'S PEOPLE, UNLIKE OTHER PREHISTORIC PEOPLE, HAD A WRITTEN LANGUAGE--WRITTEN HERE ON EVERLASTING COPPER PLATES. SHORT DOTS AND LONG DASHES. OUR PROBLEM IS TO READ WHAT THEY WROTE FOR US!

LET ME SEE IF I CAN READ WHAT THIS SAYS! ...**BOOM BOOM BOOM!**... **BOOM BOOM BOOM!**... **BOOM BOOM BOOM!**... **BOOM BOOM!**...

ITO! I THINK YOU ARE ON THE TRAIL OF THE GOLDEN KING'S LANGUAGE. MAYBE THAT'S THE WAY THESE PREHISTORIC PEOPLE TALKED TO EACH OTHER. **BOOMS** INSTEAD OF THE KIND OF WORDS WE USE!

LET US READ THE **BOOMS** TO EACH OTHER AND SEE IF WE CAN FIND OUT WHAT WE ARE TALKING ABOUT!

HAVE TARZAN AND ITO GUESSED THE **LOST BOOM LANGUAGE** OF A PREHISTORIC CIVILIZATION?

RAEBURN VAN BUREN

SINCE BATHLESS CONCENTRATED HIMSELF INTO SHRINKING TO A MERE SIX INCHES--HE'S DECIDED TO CAPITALIZE ON HIS HEIGHT BY VISITING HIS ARCH ENEMY, JASPER HAGSTONE.

SEND MR. CROSSCUP IN, MISS STACY. I'M (CHUCKLE) ABOUT TO CONCLUDE THE SHREWDEST DEAL OF MY CAREER!

HELP YOURSELF TO A CIGAR, MR. CROSSCUP--THEY (AHEM) COST ME ONE DOLLAR EACH--

ONE BUCK PER BOX, YOU BLARSTED FAKER!

D-DID YOU (GASP) SAY SOMETHING, MR. CROSSCUP?

I-I WAS ABOUT T'ASK YOU THE SAME QUESTION, HAGSTONE!

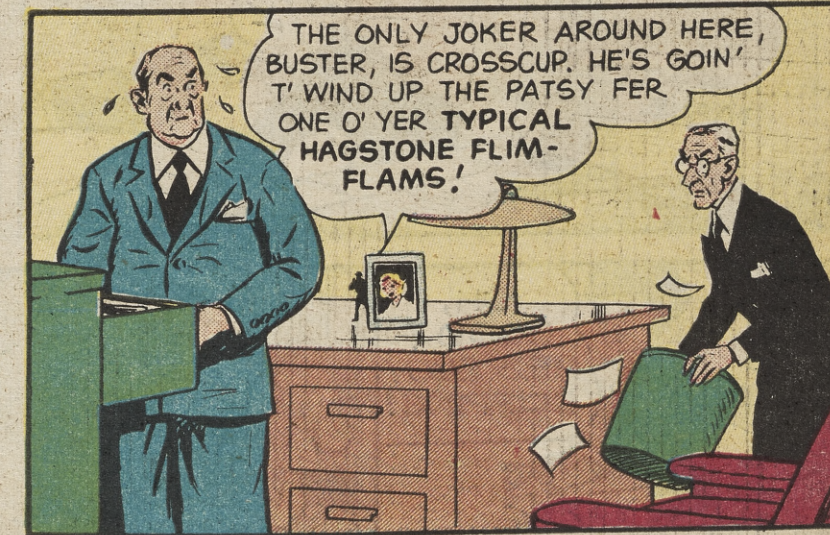

BUTTON UP YER MONEY BELT, CROSSCUP. HAGSTONE'S BEEN KNOWN T'PICK A POCKET WITHOUT EVEN EXPOSIN' HIS FINGERNAILS!

W-WHO S- SAID THAT?

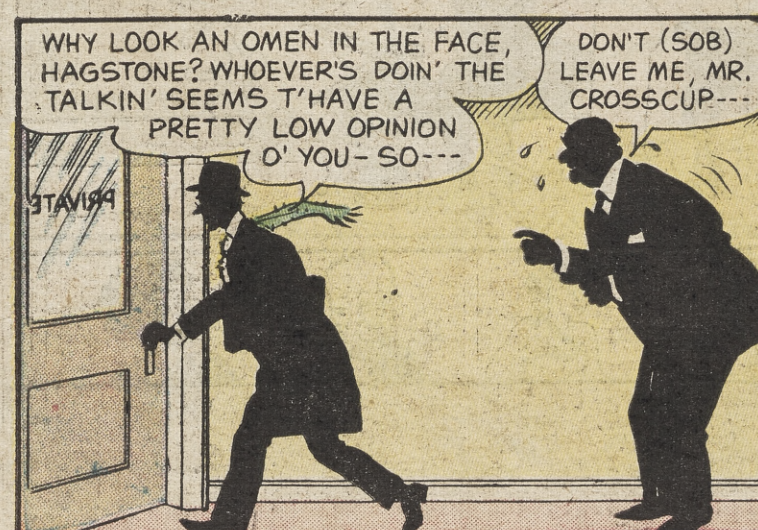

SOMETHIN' MIGHTY FISHY GOIN' ON AROUND HERE, HAGSTONE!

I-IT MUST BE SOME PRACTICAL JOKER, MR. CROSSCUP!

THE ONLY JOKER AROUND HERE, BUSTER, IS CROSSCUP. HE'S GOIN' T' WIND UP THE PATSY FER ONE O' YER TYPICAL HAGSTONE FLIM-FLAMS!

WHY LOOK AN OMEN IN THE FACE, HAGSTONE? WHOEVER'S DOIN' THE TALKIN' SEEMS T'HAVE A PRETTY LOW OPINION O' YOU--SO---

DON'T (SOB) LEAVE ME, MR. CROSSCUP---

TALK T'YER PAL--PROVIDIN' YOU LOCATES HIM, HAGSTONE!

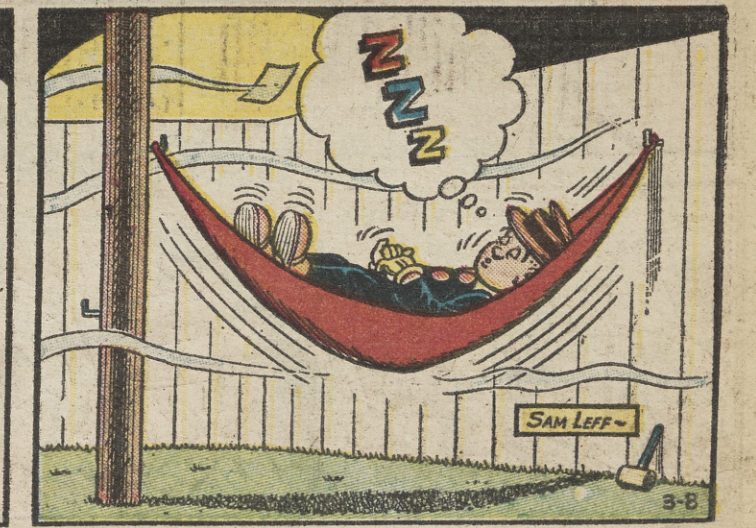

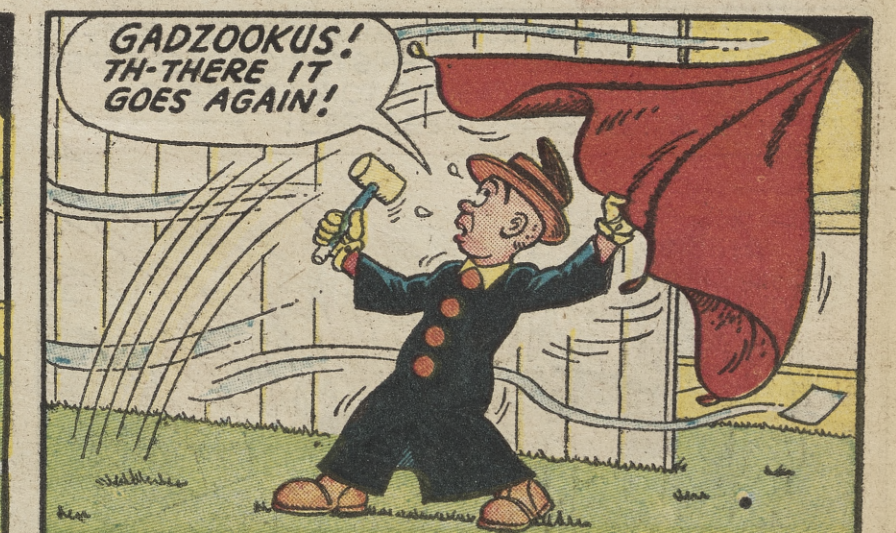

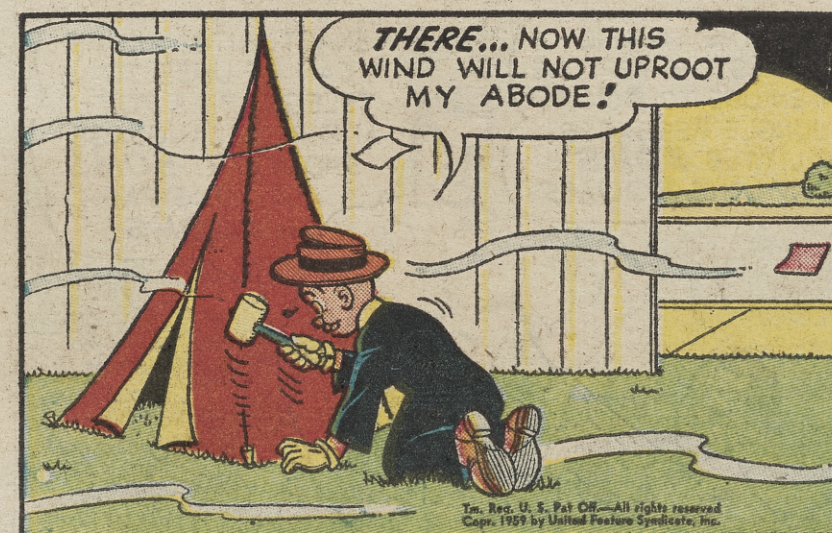

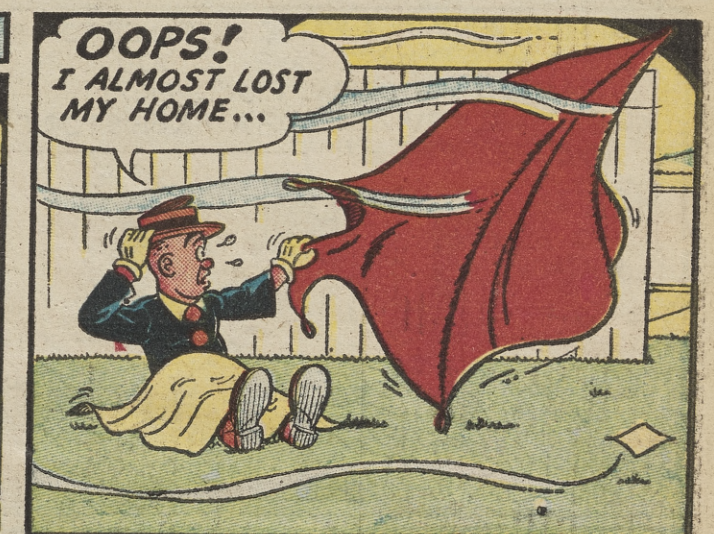

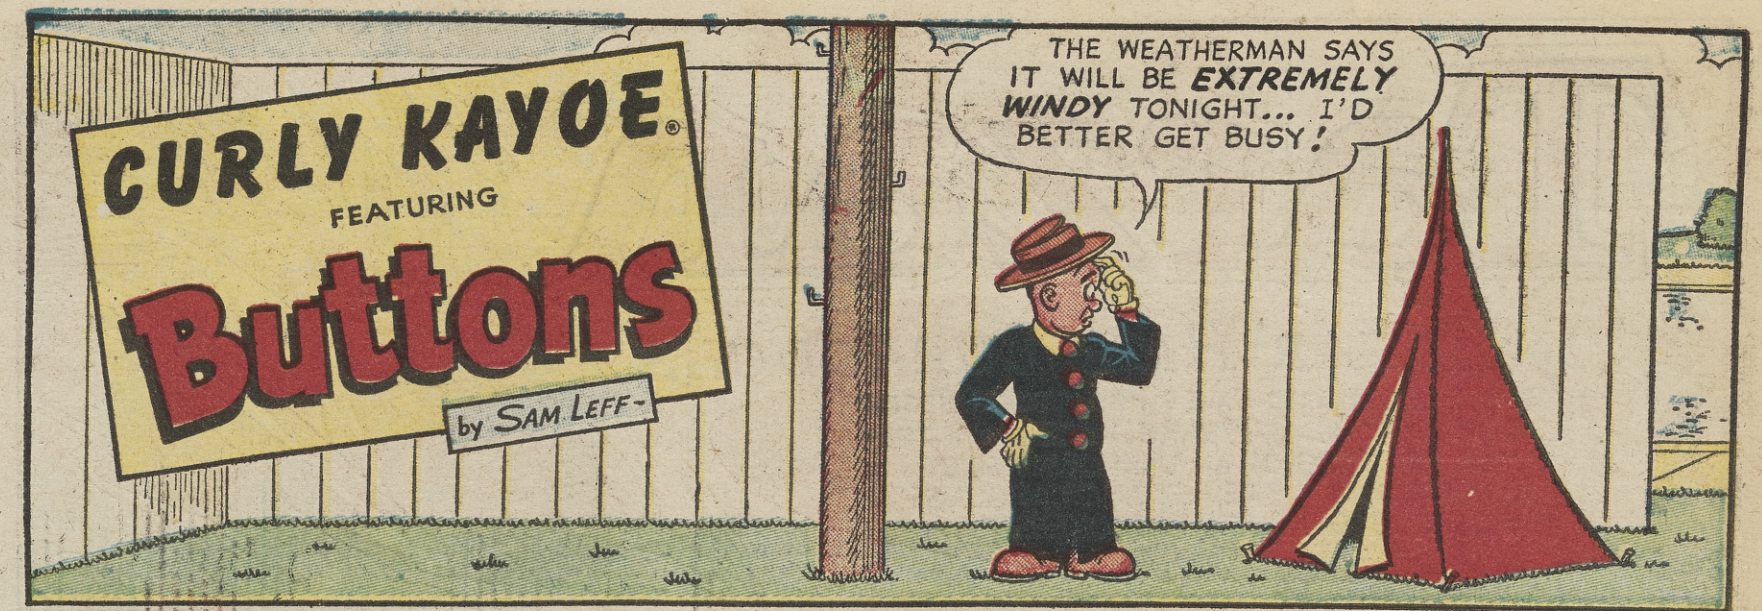

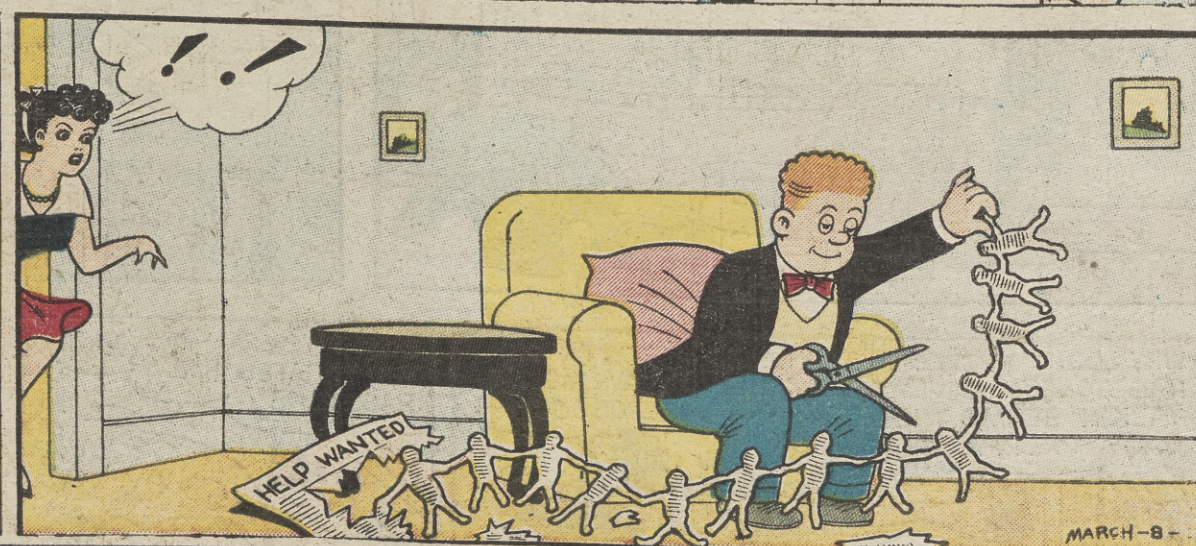

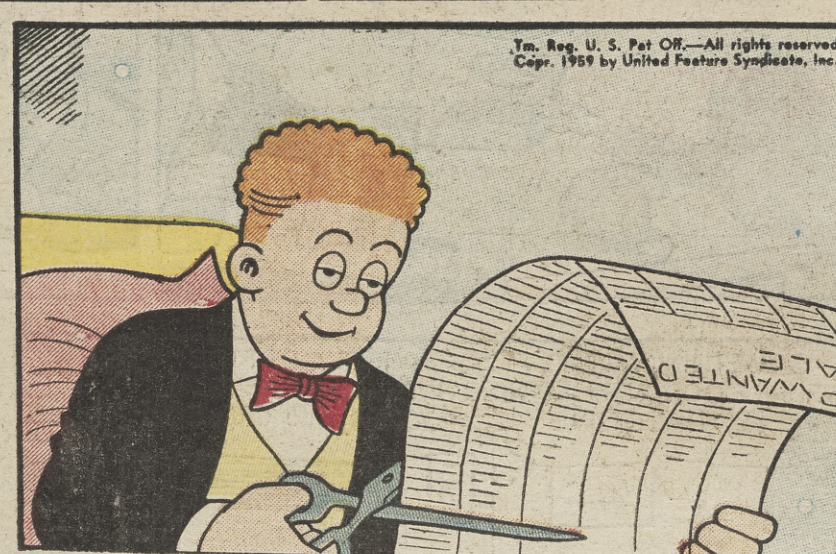

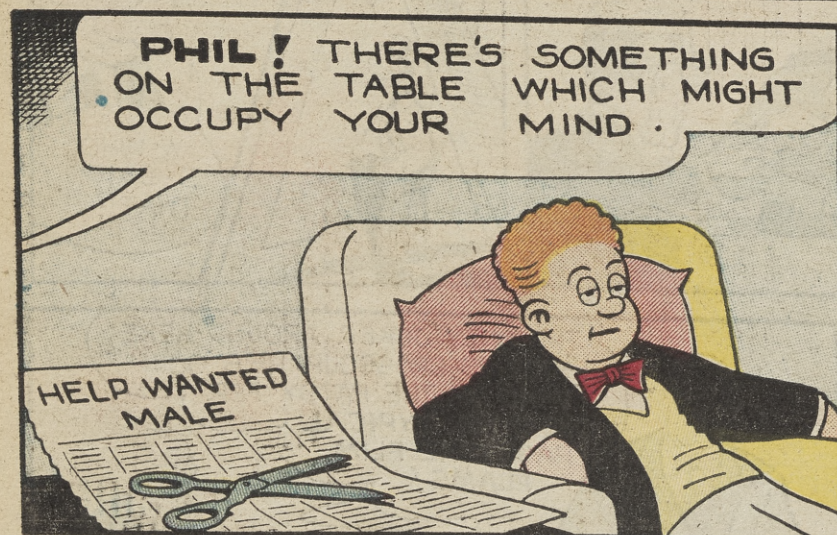

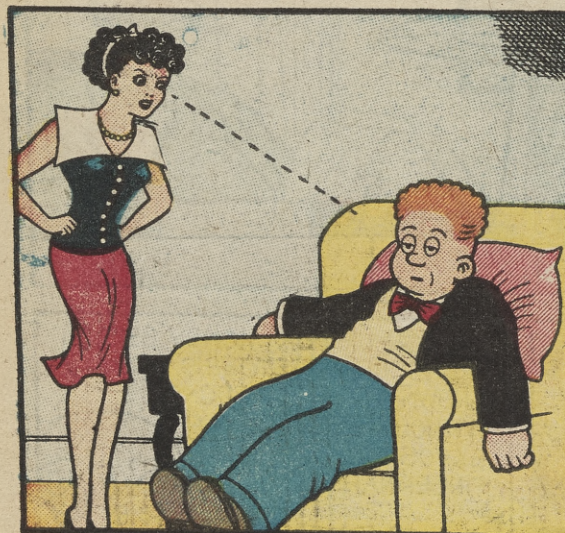

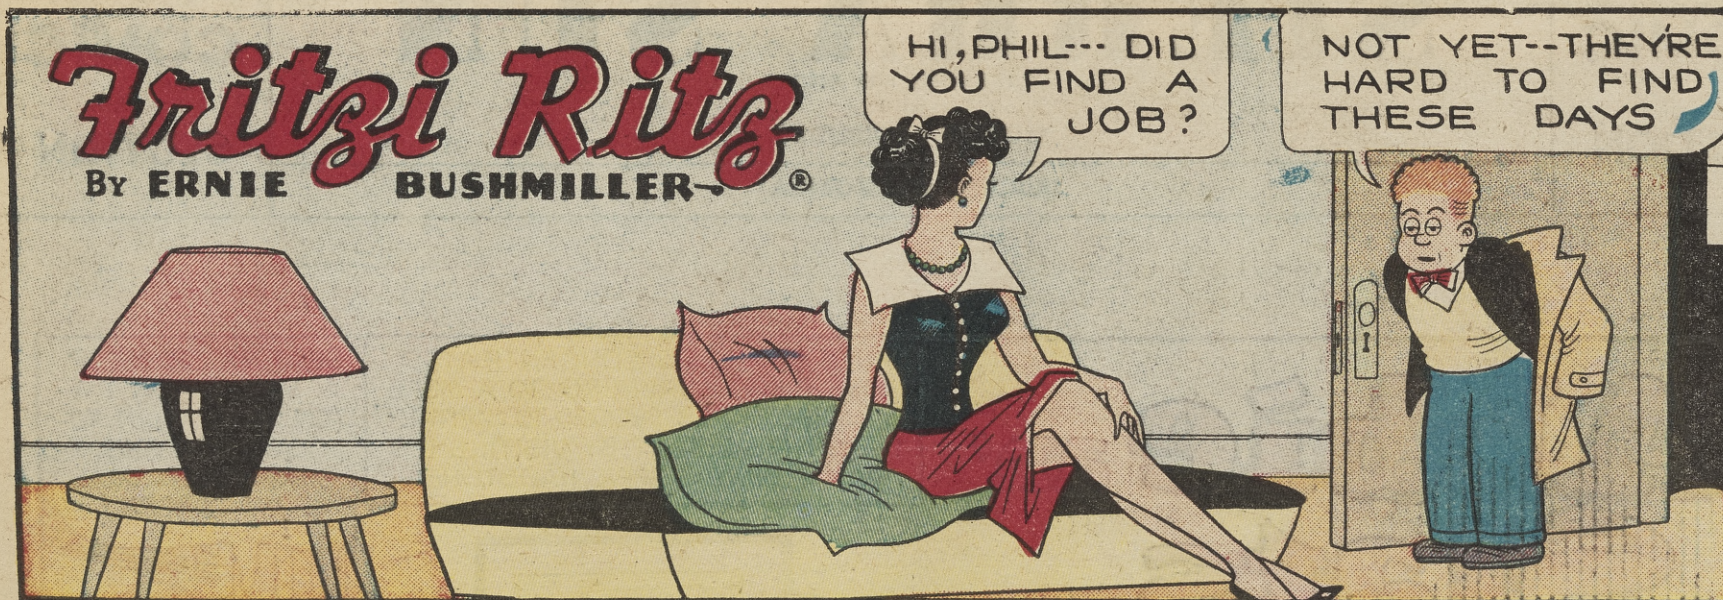

SMALL (CHUCKLE) CHANCE O' THAT HAPPENIN', PAL!

BOY, AM I FULL! THE LUNCH WAS VERY GOOD, MRS. TOODLE

C'N WE GO OUT TO PLAY NOW MOM?

NO-- IT'S STILL VERY WET OUT!

WHY NOT PLAY IN YOUR ROOM? I HAVE TO FINISH MY BAKING BEFORE I GO TO THE STORE!

UMMM-- WHAT EVER SMELLS SO GOOD?

MOM'S MAKING FUDGIES -- WE HAVEN'T HAD ANY SINCE CHRISTMAS!

LET'S GO SEE IF WE CAN SNEAK ONE.

MOM'S GONE ALREADY-- AND THE FUDGIES ARE ON THE TABLE~

I-- CAN'T BELIEVE IT! HOW COULD YOU POSSIBLY EAT ALL THOSE COOKIES WHEN YOU JUST FINISHED LUNCH?

IT WAS EASY, MOM -- EATING SEEMS TO MAKE US HUNGRY !!
